<sup>1</sup> An accommodation request for additional exam time or additional break time during a virtual CE will necessitate the administration of the examination **outside** of the usual delivery and **outside** of posted dates for that exam. **The exam date and time will be scheduled on a case-by-case basis accounting for both candidate and examiner schedules.** Candidates requesting an accommodation on the CE must email their request to [accommodations@absurgery.org](mailto:accommodations@absurgery.org).

<sup>2</sup> Accommodations on an ABS ITE are at the individual program’s discretion.

<sup>3</sup> Per Pearson VUE policy, candidates may either have additional exam time **OR** additional break time, **NOT** both. If requesting a lactation and/or pregnancy accommodation, individuals must consider whether additional exam time **OR** additional break time is needed.

<sup>4</sup> A frequent break accommodation permits the candidate to take breaks during an exam session; exam time will continue to elapse when a break is taken during an exam session. The additional hour of exam time is intended to offset frequent breaks taken during an exam session.

<sup>5</sup> Medication in tablet form is permitted in the exam room. Individuals must show the medication to the proctor upon check-in. The proctor will provide the examinee with a tissue on which to place the medication.

<sup>6</sup> Hard candy is permitted in the exam room and must be shown to the proctor upon check-in.
