

The ABS EPA Dashboard is available only on the desktop version of the app. The program director and program administrator will be able to see the program dashboard and user dashboard. Faculty and trainees will be only be able to view the user dashboard.

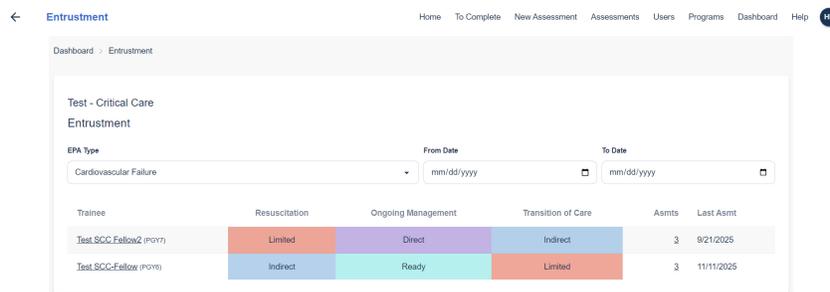

Program Dashboard

The program dashboard is available to program directors and program administrators, and consists of six reports: Entrustment, Assessment, Self-assessment, Faculty, Trainee, and Milestone.

Entrustment

This report displays an entrustment level heat map for each phase, for each trainee in the program, specific to a given EPA.

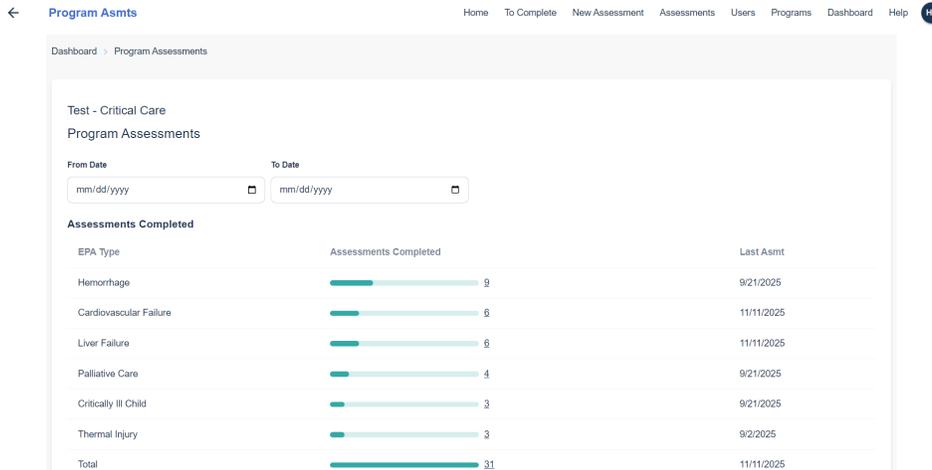

- **EPA Type:** Select the EPA to view entrustment for trainee
- **Date Range:** Select a time frame

Fields:

- **Trainee:** Trainee’s name and PGY level
- **Phase:** Setting of EPA
- **Assessment:** Total number of assessments completed for trainee for given EPA – click the number to see a detailed view of completed assessments
- **Last Asmt:** Date of the most recent assessment created

Assessments

This report displays the total number of assessments completed for each EPA within the program.

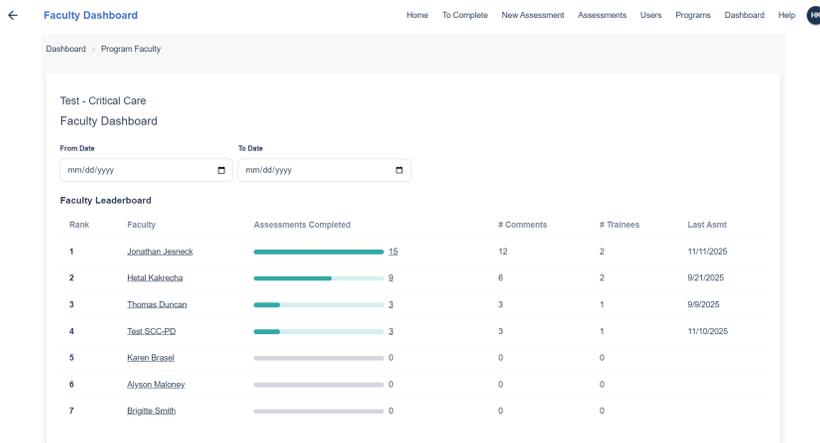

- **Date Range:** Select a time frame for the report

Assessments:

- **EPA Type:** Name of EPA
- **Assessments Completed:** Number of assessments completed for given EPA – click the number to see a detailed view of completed assessments
- **Last Asmt:** Date of the most recent assessment created for given EPA

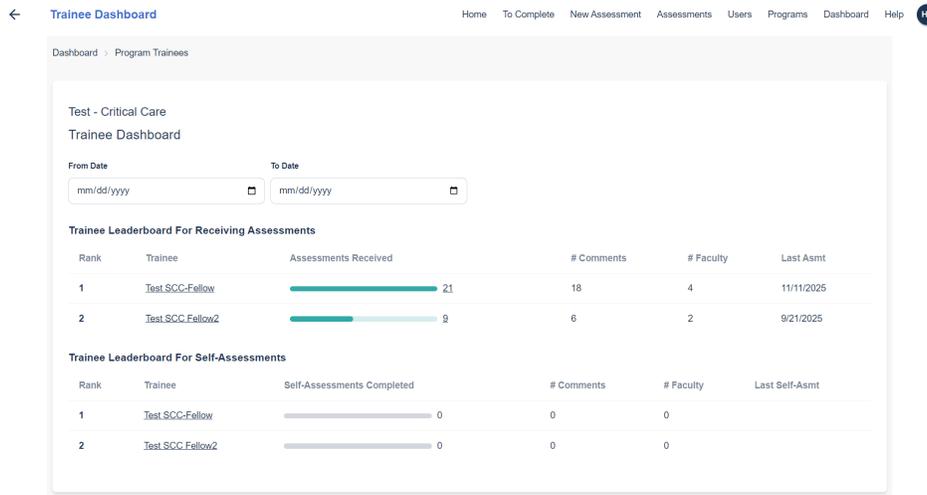

Faculty Report

This report provides a comprehensive faculty leaderboard for completed assessments for all faculty members within the program.

- **Date Range:** Select a time frame
- ### Faculty Dashboard:
- **Rank:** Ranking of the faculty based on number of assessments created
 - **Faculty:** Name of the faculty
 - **Assessments Completed:** Number of assessments completed – click the number to see a detailed view of completed assessments
 - **# Comments:** Number of assessments that have a comment
 - **# Trainees:** Number of individual trainees assessed
 - **Last Asmt:** Date of the most recent assessment created

In this report, you can view the trainee leaderboard and the trainee self-assessment leaderboard.

- **Date Range:** Select a time frame

Trainee Leaderboard for Receiving Assessments

- **Rank:** Ranking of the trainee based on number of assessments created
- **Assessments Received:** Number of assessments completed – click the number to see a detailed view of completed assessments
- **# Comments:** Number of assessments that have a comment
- **# Faculty:** Number of individual faculty assessed
- **Last Asmt:** Date of the most recent assessment created

Trainee Leaderboard for Self-Assessments

- **Rank:** Ranking of the trainees based on number of self-assessments created
- **Trainee:** Name of the trainee
- **Self-Assessments Completed:** Number of completed self-assessments – click the number to see a detailed view of completed assessments
- **# Comments:** Number of self-assessments that have a comment
- **# Faculty:** Number of individual faculty assessed
- **Last Self-Asmt:** Date of the most recent self-assessment created by the trainee

This report provides a comprehensive overview of all self-assessments completed by trainees in the program.

The screenshot shows the 'Assessments' dashboard with the following components:

- Navigation:** Home, To Complete, New Assessment, Users, Programs, Dashboard, Help, HK
- Buttons:** New Assessment (green), Download (grey)
