## All References

Below you will find the topics and their accompanying references for the 2024 Hand Surgery Continuous Certification Assessment. **Diplomates are neither required nor expected to read all of these references before or during the completion of the assessment.** The Key References are marked with a yellow star ★ below.

**Due to limited permissions, we cannot provide full-text links and article PDFs on this reference document, as it is not hosted on a secure browser.** Article links on this document will take you to the journal page on PubMed.

To view full-text articles prior to opening your assessment, please log in to the [surgeon portal](#). Article links/PDFs will be freely available on the surgeon portal beginning on **August 26<sup>th</sup>, 2024**. Additionally, while you are completing your assessment on the exam platform, full-text links/PDFs will be available for all Key and Additional References.
